

Antique Elbow Chair, English, Walnut, Armchair, Victorian, Circa 1880

DESCRIPTION

Our Stock # 11.2933

This is an antique elbow chair. An English walnut armchair dating to the Victorian era, circa 1880.

- A superior late 19th century chair presented in excellent antique condition
- Stunning walnut frame presenting good colour and a desirable aged patina
- Well executed, hand carved details throughout
- Generous 47cm (18.5") seat height and accommodating width
- Upholstered in a quality soft velour cloth with matching brocade trim
- Raked, high back and plump seat pad for comfort
- Attractive, shaped armrest with acanthus leaf, scrolled terminals
- Rising from scroll foot through a finely shaped and moulded leg
- Attractive forward stretcher decorated with a pierced, carved feather flanked by 'S' scrolls
- Leg set united by a turned 'H' stretcher with block joints
