

Antique Telescope, Dollond 'Day or Night' Terrestrial, Astronomical Circa 1850

DESCRIPTION

Our Stock # 18.5075

This is an antique telescope by Dollond dating to the mid 19th century, a 'day or night' single draw scope suitable for terrestrial or astronomical use, c.1850.

Perfect for bird watching, landscape appreciation, wildlife, or maritime observation. Equally suitable for observing the night sky. Supplied ready to enjoy.

- A fine example of a navigational telescope by renowned maker Dollond
- A single draw scope featuring a 43mm achromatic objective glass
- The optics present a clear, sharp and crisp image
- The leather covered barrel and stitching in very good order
- The eyepiece retains the original swivel dust cover
- The original sliding sun shade still operational
- The tubes in very good order throughout
- Inscribed 'Dollond London Day or Night'
- Indicating the telescope is good for all light conditions
- Supplied with a London Fine oak and brass 'Captain's Stand' for display
