

Regency Revival Drum Table, Mahogany, English, C20th, Centre, Side, Library

**DESCRIPTION**

Our Stock # 18.5491

This is a Regency revival drum table in mahogany, an English, late 20th century centre, side or library table.

- Of quality craftsmanship and in good proportion
- Select mahogany with grain interest in a wax polished finish
- Regency revival in manner and well executed
- Inset rouge leather surface framed in a brass string detail
- Displaying desirable signs of use consistent with age
- A suite of frieze drawers alternate with complimentary panels
- Mahogany lined, dovetailed drawers dressed with elegant drop handles
- Raised on a stout baluster column
- Standing upon four reeded legs with 'bump' knees
- Offering a stable, firm surface for display or use
