

Antique Dresser, English, Oak, Victorian, Country Kitchen, Sideboard, Circa 1870

DESCRIPTION

Our Stock # 18.5621

This is an antique dresser. An English, oak, Victorian country kitchen sideboard dating to the mid 19th century, circa 1870.

- Good colour to the oak with a lustrous wax, polished finish
- Grain interest and wisps of medullary rays with a desirable aged patina
- Standing upon attractive cabriole legs and pad feet
- A serpentine apron dresses the top mirrored in the skirt below the drawers
- A pair of cupboards flank a central, open shelved display area
- The field panel doors close with working locks and keys
- The broad counter top displays well offering a generous surface
- The lower cabinet appears as four drawers arranged 'two over two'
- The left hand pair being faux fronts on a cupboard door
- Dressed with solid brass drop handles over 'batwing' back plates
- Working locks and keys
