

Antique Coffe, English, Oak, Joined Chest, Three Panel Trunk, c.1700 and Later

DESCRIPTION

Our Stock # 18.5633

This is an antique coffe, an English oak, joined chest. An early 18th century three panel trunk dating to circa 1700 and later.

- Substantial oak chest displaying rich, dark colour
- Joined construction with grain interest throughout
- Displaying wisps of medullary rays and a desirable aged patina
- Deep relief carved detail to the front upper rail
- Three panels decorated with stylised foliate lozenges
- Fluted muntins and stiles, plain twin panel ends and three panel back
- Unusual to find with a working iron lock and key
- Lid opens on later, hand forged iron strap hinges
- Candle box to one end doubles as lid support
- Voluminous, clean and tidy storage within
