

Vintage Bird Bath, English, Cast Iron, Feeder, Planter, late 20th Century

**DESCRIPTION**

Our Stock # 18.5382

This is a vintage birdbath. A cast-iron feeder or planter dating to the late 20th century.

- Consistent colour throughout
- Bird sculpture decorates the bath perimeter
- Decorative floral design with copious petal detail
- Supported by a turned, tapered stem with reeded elements
- Raised upon a convex, pierced foliate base

This is a charming vintage birdbath or feeder. Solid joints and construction, delivered waxed, polished and ready for the garden.
