Antique Pair of Candlesticks Vases, Victorian c.1870

DESCRIPTION

Our Stock # 10.1060
This is an antique pair of candlesticks in the form of cherubs and urns upon marble plinths. Although they could equally well serve as vases for individual flowers when not supporting an elegant candle stick.
Delightful in every aspect, this pair of candlesticks display a gorgeous antique patina displaying hints of the original cold painted colours in warm hues of of claret red and olive green.
The marble plinths sit atop four cast brass feet and form a platform for the urns which are adorned with winged cherubs, birds and flowers. There are some historic repairs to one of the marble bases.
Superbly cast this pair of candlesticks are a rare find.
