

Georgian 4 x Dining Chairs

DESCRIPTION

Our Stock # LFA-1097 This is a set of four antique dining chairs from the mid 18th century. The figuring in the English oak, to the top rails especially, is a delight adding character to strength. Well crafted and robust, the 3/4 stretchers and foot rest serve well for a stable and comfortable seat. Displaying classic Chippendale styling from the ears to the pierced back splats and from the delicately fluted front legs to the swept rear, these chairs have a pleasing proportion and patina. Currently upholstered in a classic striped fabric, the convenient drop in seat pads would be easy to recover in a material of your choice. Solid joints and construction, delivered waxed, polished and ready for the home.
