

Vintage '20s Jewellery Box

DESCRIPTION

Our Stock # LFA-1112

This is an early 20th Century jewellery box in white metal. With classic Art Nouveau styling, this classic cast white metal box with clipped corners has a warm lustre to its profusely engraved case. The floral theme flows sinuously around a plain centre cartouche and is repeated around the sides of the box. Lifting the half moon thumb button reveals a fully velvet lined, mulberry red interior compartmentalised and fitted with a padded lid ensuring contents are protected as well as possible. Heavy weight in line with its fine quality this box is supplied in good antique condition and delivered free of charge.
