DESCRIPTION

Our Stock # LFA-1243
This is an Edwardian pair of antique armchairs, re-sprung, ready for re-upholstery, c.1910.
A genuine pair of desirable chairs of a quality simply not available today, with fabulous shape; dished front, long seated with a club feel. They are ripe for re-upholstery.
The beech frames are in good order, strong, sturdy and re-sprung sometime in the last century by Crosby Spring Interiors Lt, St. Helens, Lanc's (as can be seen in one of the photographs).
The chairs retain the luxurious, traditional stuffing including feather filled cushions for maximum comfort and offer a deep and comfortable seat.åÊ
Delivered 'as is', perfect for reupholstering in a fabric of your choice or ready to use in their current 'shabby chic' form.
