Vintage Telescope, Tripod, Broadhurst Clarkson, London, Starboy, Astronomical

DESCRIPTION

Our Stock # 18.5049
This is a large, vintage telescope on a tripod and supplied with a case, by Broadhurst, Clarkson and Co. of London. An impressive 'Starboy' 3" astronomical refractor and dating to the early 20th century, circa 1930.

- Displays consistent colour throughout and a desirable aged patina
- Original primary barrel in good order with a single indentation under close inspection
- Abundant brass brightwork displays in eye-catching, original order
- By the renowned Broadhurst, Clarkson and Co. of London
- Optics are in good order offering an achromatic object lens
- Offering a crisp, bright and sharp image – inverted (astronomical scope)
- Large 7.5cm (3") primary objective with protective dust cap
- Sighting scope benefits from fine adjustment for alignment
- Single draw tube extends smoothly, focused by knurled wheel moving an internal rack and pinion
- Maker's mark to the collar; Broadhurst, Clarkson and Co. 63 Farringdon Road London
- Wooden tripod in very good condition and standing at 161.5cm (63.5") tall
