

Vintage Factory Barometer, English, Oak, Banjo, Official, Factory Act 1937

DESCRIPTION

Our Stock # 18.5828

This is a vintage factory barometer. An English, oak banjo barometer, officially marked in compliance with the Factory Act 1937 and dating to circa 1940.

- Select oak displays fine grain interest and a desirable aged patina
- Original glass in good order and of bright optics
- Ornate foliate carvings decorate the banjo style case
 - Crafted in accordance with the Factory Act 1937 Section 3, which governed workplace temperatures
- Features a generous main dial diameter of 19.5cm (7.75")
- Second hand useful for adjusting to show changes in conditions
- Clearly legible, monotone annotations well suited to official use
- Temperature scale displays in Fahrenheit, and highlights the mandated ambient of 60 degrees

This is a fascinating vintage factory barometer with true collector appeal. Delivered polished and ready for the home.
