

Antique Telescope, Dollond 'Day or Night' Terrestrial & Astronomical Use c.1850

DESCRIPTION

Our Stock # LFA-1690

This is an antique telescope by Dollond dating to the mid 19th century, a 'day or night' single draw scope suitable for terrestrial or astronomical use, c.1850.

- A fine example of a navigational telescope by renowned maker Dollond
- A single draw scope featuring a 40mm achromatic objective glass
- The optics present a clear, sharp and crisp image
- The leather covered barrel and stitching in very good order
- The eyepiece retains the original swivel dust cover
- The original objective lens cap still fits snugly
- The tubes in very good order throughout
- Inscribed 'Dollond London Day or Night'
- Indicating the telescope is good for all light conditions
