

Pair of Mid Century Wing Back Chairs

DESCRIPTION

Our Stock # LFA-1246

This is a mid century, Art Deco period pair of 'his and hers' upholstered wing back chairs. A super pair of chairs, the solid beech frames rise on squat cabriole legs to the front and short swept rear legs. The colour and patina to the 'shepherds crook' arms is a delight and the padded elbow rests add further comfort to the deep and generous seat.

Strongly webbed and well upholstered, the chairs are finished in a mint green, patterned, quality fabric with emerald green tassel trim. The traditional, generous wings completing the look of this pair of mid century classics.

Delivered waxed, polished and ready for the home.
