

Large Vintage Dish, English, Marble, Bowl, Garden, Bird Feeder, 20th Century

DESCRIPTION

Our Stock # 18.6246
This is a large vintage dish. An English marble bowl or garden bird feeder, dating to the 20th century.

- Pleasingly formed in good, original order
- Displays a desirable aged patina
- Heavy, solid and substantial with dish diameter of: 56.5cm (22.25")
- Bovey black marble with dappled finish and long white veins
- Four marks to the fascia suggest a former metal attachment
- Some markings to the edge under closer inspection
- Rough, natural back provides a contrasting finish
- Ideal for use as a large bird bath in the garden or as a jardiniere

This is a large vintage dish or feeder. Delivered polished and ready for the home or garden.
