DESCRIPTION

Our Stock # 18.6288

This is a large, maritime oil painting by the renowned marine and equine artist David Chambers. 'Endeavour' is an original, oil on board painting from David's recent collection.

The soft morning light catches the billowing sails of a classic schooner type yacht as it navigates through a tumultuous, aqua blue sea. Feather soft spray laps at the wooden hull as a crew of five battle against the elements. A few distant ships are present in the background and above a slew of gulls add to the cool ambience of the greying sky.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 above that of the advertised price.
