**DESCRIPTION**

Our Stock # 18.6289

This is a large, maritime seascape oil painting by the renowned marine and equine artist David Chambers. 'Bracing' is an original, oil on board painting from David's recent collection.

This dramatic work has a focal point of five crew stretching every sinew as they battle to wrest the sail against the relentless winds. The copper and cream mainsail is recalcitrant in its gait and the sea billows between ebb and flow. A second boat at the edge of the scene appears to have navigated the trough and is in a more calm pocket of air, where our protagonists are hoping to reach as quickly as they can.

An aqua blue sea with rich detail adds a bold mystique to the piece and the bright white spray is a border between this and the cold, grey sky.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.
