This is a large, dramatic seascape oil painting by the renowned marine and equine artist David Chambers. 'Wrath' is an original, oil on board painting from David's recent collection.

A scene of some turmoil, three small ships battle against the tumultuous sea. Muted colours set the tone, and yet the ensemble gulls and hints of blue sky in the background can raise feelings of hope, of passing trials and tribulations. The oily, lugubrious sea is assuredly not inviting to the crew, and their efforts in navigating this spell appear to be proving successful.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 above that of the advertised price.
