**DESCRIPTION**

Our Stock # 18.6292

This is a square, morning seascape oil painting by the renowned marine and equine artist David Chambers. 'Unison' is an original, oil on board painting from David's recent collection.

A warm, inspiring scene of crewmen toiling over their nets in an early morning flurry of activity. The sun, low in the sky lights up a shaft of broken cloud in the middle of the image, whilst a team of workers stand within the cobalt blue seas and haul in the catch of the day. A few patient seagulls circle in the middle distance, waiting for a chance supply of fish. A vibrant, colourful piece, David's signature in white is an attractive finishing touch.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference.
