Our Stock # 18.6293

This is a square, maritime oil painting by the renowned marine and equine artist David Chambers. 'Outlook' is an original, oil on board painting from David's recent collection.

A wonderfully realised perspective from the deck of a ship in choppy waters, 'Outlook' offers a unique take on the maritime seascape. Adding the human element - alongside that as an observer - connects you to the piece. From the icy cool seas, with their cobalt blue hues, to the setting sun, casting its own warm glow, the painting is a sight to behold.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 above that of the advertised price.
