Our Stock # 18.6416

This is a framed, seascape oil painting by the renowned marine and equine artist David Chambers. 'Team Effort' is an original, oil on board painting from David's recent collection.

A crew of seven early risers fight against a strong tide to haul in their catch nets and discover the bounty within. A hint of first light enters the scene to the left, whilst the last of a storm passes across to the right. The rich, tan coloured net contrasts wonderfully against the deep cobalt and aqua blue seas, whilst a small amount of spray encroaches against the nets.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

Delivered as a ready to display original, resplendent in a quality, stylish frame and supplied with mountings. This is a fantastic opportunity to own one of David's originals and enhance any space within the home.
