Our Stock # 18.6295

This is a London landscape oil painting by the renowned marine and equine artist David Chambers. 'Capital Mooring' is an original, oil on board painting from David's recent collection.

Depicting the Thames with the world famous St Paul's Cathedral in the background, four vessels are moored for the evening as the setting sun casts a warm golden glow upon the Portland stone architecture. The ships are resplendent in dark aqua blue and sit three abreast with a smaller brown boat alongside.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.
