This is a waterside landscape oil painting by the renowned marine and equine artist David Chambers. 'Transience' is an original, oil on board painting from David's recent collection.

Two ships rest upon the wet sand before the next tide rolls in, as it always does and forever will. Joining the grand vessels is a small tender with some waterside buildings in the distance. A sombre morning sky shows only the slightest touches of colour, with only a few gulls to disturb the silence.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 above that of the advertised price.
