This is a classic maritime oil painting by the renowned marine and equine artist David Chambers. 'Coastal Quay' is an original, oil on board painting from David's recent collection.

Between to quayside buildings, a calm coastal inlet hosts a lone, moored ship. With its peacock blue hull and long prow, this vessel is at rest until it is next called upon to navigate the high seas. The golden hues of the buildings create a warm overall tone, uplifting in nature compared to the austere, cloudy sky. The light emerald green waters provide wonderful reflections from above and help create a peaceful scene for the viewer.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 ...
