

Slimline Sailing Seascape, Oil Painting, Marine, Maritime, Ship, Art, Original

DESCRIPTION

Our Stock # 18.6304

This is a slimline, sailing seascape oil painting by the renowned marine and equine artist David Chambers. 'Red on Blue' is an original, oil on board painting from David's recent collection.

An attractive slimline piece with emphasised verticality, the colour block blues are punctuated with a shock of warm amber. The small ship with billowing sail is within a trough on a stormy sea. The spray ghosts around the vessel, whilst the deep navy hues highlight the vast expanse of water, far from shore.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

We can supply David's paintings with a choice of attractive frame styles, or in its natural state for your personal preference. Our framing service is a high quality option with attractive finishes that complement the wonderful nature of David's art. Framing is offered at a cost of £295 above that of the advertised price.
