This is a maritime landscape oil painting by the renowned marine and equine artist David Chambers. 'Out of Town' is an original, oil on board painting from David's recent collection.

A wonderfully composed landscape, the two main ships rest upon the sand, distant from the opposite side of the river outlet, where the horizon teems with moored vessels. A dramatic sky with grey and golden hues occupies the right hand side of the piece, whilst a streak of bold aqua blue populates the river. A hint of first light dapples the oncoming sky out to sea, whilst the ships cast a wonderful shade on the beach. The rigging is wonderfully defined against the mast, whilst the mooring lines sit upon the beach, drawing you into the bow.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.
