This is a classic maritime oil painting by the renowned marine and equine artist David Chambers. 'Pathfinders' is an original, oil on board painting from David's recent collection.

The sky is a fairly calm scene, with white clouds breaking between banks of gathering rain clouds. The sea is resplendent in cobalt and turquoise shades. Two other ships occupy the horizon, suggesting that this region is known for its bountiful harvest.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.
