Framed Maritime Seascape, Oil Painting, Marine, Art, Original, Fishermen

DESCRIPTION

Our Stock # 18.6366
This is a framed, maritime seascape oil painting by the renowned marine and equine artist David Chambers. 'Heave' is an original, oil on board painting from David's recent collection.
Working in unison to lift the heavy, sodden nets, a team of six crew work tirelessly within the waves. The catch nets, promising a bountiful harvest, can be seen cresting the sea as the wisps of white chop against the surface. The cool, grey sky sits above a dark aqua sea, whilst a few gulls dance freely over the hard working men.
Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.
Delivered as a ready to display original, resplendent in a quality, stylish frame and supplied with mountings. This is a fantastic opportunity to own one of David's originals and enhance any space within the home.
