

Antique Revolving Bookcase, English, Mahogany, Rotating Library, Edwardian, 1910

DESCRIPTION

Our Stock # 18.6755

This is an antique revolving bookcase. An English, mahogany rotating library, dating to the Edwardian period, circa 1910.

- Attractive rotating library
- Displays a desirable aged patina
- Select mahogany shows fine grain interest
- Rich russet hues to the wax polish finish
- The square top graced by intricate marquetry inlay
- Central foliate piece joined by fine tooling and a contrast boxwood border
- Two tier design with appealing vertical spars adding an Art Deco taste
- A shelf depth of 14.5cm (5.75")
- The whole rotating smoothly
- Raised upon four trestle feet with brass and ceramic castors
