

Vintage Technical Drawing Set, German, Architect, Cartographer, Riefler, 1930

DESCRIPTION

Our Stock # 18.6890

This is a vintage technical drawing set. A German, silver nickel architect or cartographer's instrument set by Riefler of Munich, dating to the early 20th century, circa 1930.

- Usefully petite instrument set
- Displaying a desirable aged patina
- Silver nickel instruments in good order
- Original carry case with minimal wear to corners
- Six piece set with compass and other tools
- Presented within a black, velvet lined tray
- The lid reads; 'Niehus Bros, Agents. C. Riefler, Nesselwang & München'
- Riefler maker's mark engraved upon compass

This is a quality vintage drawing set, ideal for the office desk or within a collection of scientific instruments. Delivered polished and ready for the enthusiast or collector.
