

Regency Antique Overmantle Mirror in Ebonised Giltwood Frame Circa 1820

**DESCRIPTION**

Our Stock # AAU-3440

This is a Regency antique overmantle mirror in an ebonised giltwood frame dating to the early 19th century c.1820.

- Highly desirable ebonised colour and patina to the giltwood frame
- Superb proportions in classical form
- Quality hand-carved wood foliate detailing to the lower flanks
- Dome form later mirror plate in very good order
- Rising from original china bun feet
- Provided with fittings ready to mount

A very nice example that would look fantastic in an overmantle location, or over a console table. Solid joints and construction, delivered ready for the home.
