

Antique Corner Arm Chair, French, Beech, Seat, Art Nouveau, Victorian, C.1890

DESCRIPTION

Our Stock # 18.6841

This is an antique corner arm chair. A French, dark beech seat in Art Nouveau taste, dating to the late Victorian period, circa 1890.

- Superb corner chair with attractive covering
- Displays a desirable aged patina
- Select dark stained French beech shows fine grain interest
- Deep, rich hues beneath the wax polish finish
- Carved top rail sits above sinuous scroll arms
- Fine detail to the carved shell motif over a textured ground
- Striking lyre backs with foliate patera set within a frieze
- Gently chamfered seat edge aids comfort
- Benefiting from a quality, William Morris style textile upholstery
- Complimenting the Art Nouveau taste through mellow golden hues and foliate detail
- Beautiful mint green brocade trim a delightful flourish
