

Vintage Technical Drawing Case, German, Surveyor's Set, Riefler of Munich, 1950

DESCRIPTION

Our Stock # 18.6897

This is a vintage technical drawing case. A German, silver nickel surveyor's set by Riefler of Munich, dating to the mid 20th century, circa 1950.

- Quality, vintage set by a renowned maker
- Displaying a desirable aged patina
- Silver nickel instruments in good order
- Presented within a dark blue textured case
- This 11-piece set sits within a black velvet lining with Riefler emblem plate
- Offers a large compass divider and smaller spring bow compass
- Accessories include a selection of pointers and a ruling pen
- Tools engraved with 'Riefler Germany' maker's marks
- The lid featuring gold tooled Riefler badge and A12 set number

This is a superb vintage technical drawing case by Riefler of Munich. Both collectible and useful today, this would be a quality addition to a work desk. Delivered polished and ready for display.
