

Early C20th Brass Coffee Table, c.1930

DESCRIPTION

Our Stock # 10.1313

This is an antique, folding brass coffee table dating to c.1930.

This is a fine example of highly skilled repoussé work with Islamic characters and arabesque motifs in bands around the face of the patinated brass top.

The folding base is in good order with ring turned feet and barley twist columns and stretchers. The wood with good colour and finish offers a stable platform for the top.

Solid joints and smooth folding action. Delivered waxed, polished and ready for the home.
