DESCRIPTION

Our Stock # 18.7597

This is a large vintage chemical storage pot. An English, ceramic decorative hallway or umbrella stand, dating to the early 20th century, circa 1930.

- Fascinating former chemist's receptacle, ideal for decorative hallway use
- Displaying a desirable aged patina - spout showing signs of former careful repair
- Globular ceramic body in light beige hues beneath a glazed finish
- Half-dome cup handles to each side aid ease of movement
- Generous opening diameter of 15.5cm (6")
- Water spout to base with shaped lower edge - does not require a raised stand for display
- Maker's mark to the front fascia for Doulton & Co Ltd
- Further marked Made in England with serial numbers RM2 and TA1877

This is a fascinating vintage chemical storage pot, with pleasing form and useful as a distinctive hall stick or umbrella stand. Delivered polished and ready for the home.
