

Set of 6 Antique Napkin Rings, English, Copper, Arts And Crafts, Circa 1920

DESCRIPTION

Our Stock # 18.7777

This is a set of 6 antique napkin rings. An English, copper dining table accessory in the Arts and Crafts taste, dating to the early 20th century, circa 1920.

- Charming table dressing rings with appealing finish
- Displays a desirable aged patina
- Copper napkin rings show pleasing weathering
- Superb colouration and tactile feel in the hand
- Each decorated with a totemic icon redolent of ancient iconography

This is a fascinating set of antique napkin rings, with great tonality and colour. Dress your table with a distinctive touch, delivered polished and ready to use.
