

## Antique Pocket Explorer's Compass, English, Navigation Instrument, Victorian

## DESCRIPTION

Our Stock # 18.8459

This is an antique pocket explorer's compass. An English, mahogany cased instrument, dating to the Victorian period, circa 1880.

- Wonderful pocket compass with charming details
- Displays a desirable aged patina throughout
- Select stocks shows fine grain interest and russet hues
- 50mm dial glass in good order, free of marks
- Paper compass face annotated with a 32-wind dial — displays the half and quarter winds
- Striking blue directional hand engraved with N and S respectively
- Second hand actuated with small push button, acting as a safety rest when closed
- Opens upon a pair of charming diamond shaped hinges

This is a delightful antique pocket explorer's compass, a real treat for the enthusiast with its 32 wind dial. Delivered polished and ready to enjoy.
