

Mid Century Open Bookcase, English Oak

DESCRIPTION

Our Stock # LFA-1459 This is a mid century open bookcase in English oak. In classic six sectional form following early Georgian influence, this practical book shelf offers extensive storage with shelves eleven inches high and nine and a quarter deep. Raised on a continuous plinth base and crafted in English oak that displays wisps of medullary rays through the dark waxed finish, the exposed dovetails to the upper corners add interest and a nod to the quality. Solid joints and construction, delivered waxed, polished and ready for the home.
